- Students are strongly advised to work with an academic adviser to determine a personal program plan. Your program plan will differ depending on previous credit received, your course schedule, and available offerings.

The UCB requirement is two semesters of foreign language. If the student is using the same language, then only 2 semesters are required. This plan assumes that the student is using a different language than the one that is required for admission. (Or that the student has performed below acceptable levels.)

Same comment about foreign language. Students could also do HONORS program in last year, provided they take electives or concentration classes in the summer OR take more units than indicated in the first six semesters.
